

ANDRIAMANANTENA

Elvis Sylvano

FULL-STACK DEVELOPER WITH A BACKEND FOCUS

“A dedicated and ambitious student, but above all, a passionate developer, I am constantly seeking knowledge to improve myself. I demonstrate adaptability and team spirit, qualities that I put to good use for your company.

As a full-stack developer with a focus on design and business logic, I ensure code quality and solution reliability. Curious, rigorous, and motivated, I dedicate myself to each project and seek to grow through concrete achievements.”
